¿Qué es el formulario de Planes de Salud ATRIO?

En este documento, los términos "Lista de Medicamentos" y "Formulario" se utilizan con el mismo significado. Un formulario es una lista de medicamentos cubiertos, seleccionados por ATRIO Health Plans en consulta con un equipo de profesionales de la salud, que representa las terapias recetadas que se consideran necesarias para un programa de tratamiento de calidad. ATRIO Health Plans generalmente cubrirá los medicamentos incluidos en nuestro formulario siempre que sean médicamente necesarios, se surtan en una farmacia de la red de ATRIO Health Plans y se cumplan las demás normas del plan. Para obtener más información sobre cómo surtir sus recetas, consulte su *Evidencia de Cobertura*.

¿Puede cambiar el formulario?

La mayoría de los cambios en la cobertura de medicamentos se realizan el 1 de enero, pero podríamos agregar o eliminar medicamentos del formulario durante el año, cambiarlos a diferentes niveles de costo compartido o añadir nuevas restricciones. Debemos seguir las normas de Medicare al realizar estos cambios. Las actualizaciones del formulario se publican mensualmente en nuestro sitio web: <https://atriohp.com/oregon/members/find-a-drug/>.

Cambios que pueden afectarle este año: En los siguientes casos, se verá afectado por cambios en la cobertura durante el año:

- **Sustituciones inmediatas de ciertas versiones nuevas de medicamentos de marca y productos biológicos originales.** Podemos eliminar inmediatamente un medicamento de nuestro formulario si lo reemplazamos con una nueva versión que aparecerá en el mismo nivel de costo compartido o en uno inferior, y con las mismas restricciones o menos. Al agregar una nueva versión de un medicamento a nuestro formulario, podemos decidir mantener el medicamento de marca o el producto biológico original en nuestro formulario, pero trasladarlo inmediatamente a un nivel diferente de costo compartido o agregar nuevas restricciones.

Solo podemos realizar estos cambios inmediatos si agregamos una nueva versión genérica de un medicamento de marca o ciertas versiones biosimilares nuevas de un producto biológico original que ya estaban en el formulario (por ejemplo, agregar un biosimilar intercambiable que pueda ser sustituido por un producto biológico original en una farmacia sin una nueva receta).

Si actualmente toma el medicamento de marca o el producto biológico original, es posible que no le informemos con anticipación antes de realizar un cambio inmediato, pero posteriormente le proporcionaremos información sobre los cambios específicos que hayamos realizado. Si realizamos dicho cambio, usted o su médico pueden solicitarnos una excepción y continuar cubriendo el medicamento modificado. Para obtener más información, consulte la sección "¿Cómo solicito una excepción al Formulario de ATRIO Health Plans?".

Algunos de estos medicamentos pueden ser nuevos para usted. Para obtener más información, consulte la sección "¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?".

- **Medicamentos retirados del mercado.** Si el fabricante retira un medicamento de la venta o la Administración de Alimentos y Medicamentos (FDA) determina que se retira por razones de seguridad o eficacia, podemos retirarlo inmediatamente de nuestro formulario y notificarlo posteriormente a los miembros que lo toman.

- Otros cambios. Podemos realizar otros cambios que afecten a los miembros que actualmente toman un medicamento. Por ejemplo, podemos agregar un medicamento genérico que no sea nuevo en el mercado para reemplazar un medicamento de marca actualmente en el formulario, agregar nuevas restricciones al medicamento de marca, trasladarlo a un nivel diferente de costos compartidos, o ambas cosas. También podemos realizar cambios basados en nuevas pautas clínicas. Si eliminamos medicamentos de nuestro formulario, añadimos autorización previa, límites de cantidad o restricciones de terapia escalonada, o trasladamos un medicamento a un nivel superior de costos compartidos, debemos notificar a los miembros afectados sobre el cambio al menos 30 días antes de que entre en vigor. Alternativamente, cuando un miembro solicita un resurtido del medicamento, puede recibir un suministro para 30 días.
- Si realizamos estos otros cambios, usted o su médico pueden solicitarnos una excepción y continuar cubriendo el medicamento que ha estado tomando. El aviso que le enviemos también incluirá información sobre cómo solicitar una excepción. También puede encontrar información en la sección "¿Cómo solicito una excepción al Formulario de ATRIO Health Plans?".

Cambios que no le afectarán si actualmente toma el medicamento. Por lo general, si toma un medicamento de nuestro formulario de 2026 que estaba cubierto a principios de año, no lo suspenderemos ni reduciremos durante el año de cobertura de 2026, excepto como se describe anteriormente. Esto significa que estos medicamentos seguirán disponibles con el mismo costo compartido y sin nuevas restricciones para los miembros que los tomen durante el resto del año de cobertura. Este año no recibirá notificación directa sobre los cambios que no le afecten. Sin embargo, el 1 de enero del año siguiente, dichos cambios sí le afectarán, y es importante consultar el formulario del nuevo año de beneficios para conocer cualquier cambio en los medicamentos.

El formulario adjunto está vigente al 02/01/2026. Para obtener información actualizada sobre los medicamentos cubiertos por ATRIO Health Plans, contáctenos. Nuestra información de contacto aparece en la portada y la contraportada. ATRIO Health Plans actualizará los formularios mensualmente y proporcionará un documento con los cambios. Esta lista se publicará en <https://atriohp.com/oregon/members/find-a-drug/> o puede enviársela llamando al **1-877-672-8620** (TTY 711), todos los días de 8:00 a. m. a 8:00 p. m., hora local.

¿Cómo uso el Formulario?

Hay dos formas de encontrar su medicamento dentro del formulario:

Condición médica

El formulario comienza en la página 3. Los medicamentos de este formulario se agrupan en categorías según el tipo de afección médica que tratan. Por ejemplo, los medicamentos para tratar una afección cardíaca se enumeran en la categoría "Agentes cardiovasculares". Si sabe para qué se usa su medicamento, busque el nombre de la categoría en la lista que comienza en la página 1. Luego, busque su medicamento bajo el nombre de la categoría.

Listado alfabético

Si no está seguro de la categoría en la que debe buscar, debe buscar su medicamento en el Índice que comienza en la página I-1. El Índice proporciona una lista alfabética de todos los medicamentos incluidos en este documento. Tanto los medicamentos de marca como los genéricos se enumeran en el Índice. Busque en el Índice y encuentre su medicamento. Junto a su medicamento, verá el número de página donde puede encontrar información de cobertura. Diríjase a la página del Índice y busque el nombre de su medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

Los Planes de Salud ATRIO cubren tanto medicamentos de marca como genéricos. Un medicamento genérico está aprobado por la FDA por contener el mismo ingrediente activo que el medicamento de marca. Generalmente, los medicamentos genéricos son igual de eficaces y suelen ser más económicos que los de marca. Existen sustitutos genéricos disponibles para muchos medicamentos de marca. Los medicamentos genéricos generalmente se pueden sustituir por el medicamento de marca en la farmacia sin necesidad de una nueva receta, según las leyes estatales.

¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?

En el formulario, cuando nos referimos a medicamentos, podemos referirnos a un medicamento o a un producto biológico. Los productos biológicos son medicamentos más complejos que los medicamentos tradicionales. Dado que los productos biológicos son más complejos que los medicamentos tradicionales, en lugar de tener una forma genérica, existen alternativas llamadas biosimilares. Generalmente, los biosimilares funcionan tan bien como el producto biológico original y pueden ser más económicos. Existen alternativas biosimilares para algunos productos biológicos originales. Algunos biosimilares son intercambiables y, según las leyes estatales, pueden sustituir al producto biológico original en la farmacia sin necesidad de una nueva receta, al igual que los medicamentos genéricos pueden sustituir a los de marca.

Para obtener información sobre los tipos de medicamentos, consulte la Evidencia de cobertura, Capítulo 5, Sección 3.1, “La ‘Lista de medicamentos’ indica qué medicamentos de la Parte D están cubiertos”.

¿Existen restricciones en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos o límites de cobertura adicionales. Estos requisitos y límites pueden incluir:

- **Autorización previa:** ATRIO Health Plans exige que usted o su médico obtengan una autorización previa para ciertos medicamentos. Esto significa que deberá obtener la aprobación de ATRIO Health Plans antes de surtir sus recetas. Si no la obtiene, es posible que ATRIO Health Plans no cubra el medicamento.
- **Límites de cantidad:** Para ciertos medicamentos, ATRIO Health Plans limita la cantidad que cubre. Por ejemplo, ATRIO Health Plans ofrece 30 por receta de simvastatina. Esto puede ser adicional a un suministro estándar para uno o tres meses.
- **Terapia escalonada:** En algunos casos, ATRIO Health Plans requiere que primero pruebe ciertos medicamentos para tratar su afección médica antes de cubrir otro medicamento para esa afección. Por ejemplo, si tanto el medicamento A como el medicamento B tratan su afección médica, ATRIO Health Plans podría no cubrir el medicamento B a menos que pruebe primero el medicamento A. Si el medicamento A no le funciona, ATRIO Health Plans cubrirá el medicamento B.
- **Revisión de la Parte B frente a la Parte D:** algunos medicamentos están cubiertos como parte de su cobertura médica de la Parte B y otros están cubiertos por su cobertura de la Parte D.

Puede consultar el formulario que comienza en la página xx para saber si su medicamento tiene requisitos o límites adicionales. También puede obtener más información sobre las restricciones que se aplican a medicamentos cubiertos específicos visitando nuestro sitio web. Hemos publicado documentos en línea que explican nuestras restricciones de autorización previa y terapia escalonada. También puede solicitarnos una copia. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en las portadas y contraportadas.

Puede solicitar a ATRIO Health Plans una excepción a estas restricciones o límites, o una lista de otros medicamentos similares que puedan tratar su afección. Consulte la sección "¿Cómo solicito una excepción al formulario de ATRIO Health Plans?" en la página VI para obtener información sobre cómo solicitar una excepción.

¿Qué son los medicamentos de venta libre (OTC)?

OTC drugs are non-prescription drugs that are not normally covered by a Medicare Prescription Drug Plan. ATRIO Health Plans pays for certain OTC drugs. ATRIO Health Plans will provide these OTC drugs at no cost to you. The cost to ATRIO Health Plans of these OTC drugs will not count toward your total Part D drug costs.

Medicamentos de venta libre (OTC) cubiertos

ATRIO cubre una cantidad limitada de medicamentos de venta libre según el formulario del plan (que se muestra en la tabla a continuación). Necesitará una receta médica para presentar en la farmacia y así cubrir los medicamentos de venta libre del formulario.

Sin embargo, los Planes de Salud ATRIO ofrecen cobertura adicional para medicamentos de venta libre. Recibirá un descuento para cualquier artículo de venta libre que elija del catálogo. Puede consultar el catálogo en nuestro sitio web: <https://atriohp.com/2026-extra-benefits/>. También puede llamar al **1-855-263-6673** para obtener más información. La Administración Federal de Medicamentos (FDA) informa que los medicamentos de venta libre son seguros siempre que se tomen según las indicaciones. Algunos productos pueden ahorrarle dinero al ofrecer efectos terapéuticos similares.

Consulte con su profesional de la salud para determinar si esta es la opción adecuada para usted. Estos son solo algunos ejemplos de medicamentos de venta libre populares disponibles en el catálogo:

- Analgésicos, incluidos Tylenol (acetaminofén), ibuprofeno, parche de lidocaína y gel de diclofenaco.
- Medicamentos para la acidez estomacal, incluidos Tums, Pepcid AC y Prilosec (omeprazol)
- Antihistamínicos/descongestionantes para los síntomas de alergia o resfriado.
- Gotas para los ojos para lubricar o limpiar

¿Qué pasa si mi medicamento no está en el Formulario?

Si su medicamento no está incluido en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con Servicios para Miembros y preguntar si su medicamento está cubierto.

Si se entera de que ATRIO Health Plans no cubre su medicamento, tiene dos opciones:

- Puede solicitar a Servicios para Miembros una lista de medicamentos similares cubiertos por los Planes de Salud ATRIO. Cuando reciba la lista, muéstrela a su médico y pídale que le recete un medicamento similar cubierto por los Planes de Salud ATRIO.
- Puede solicitar a los Planes de Salud ATRIO que hagan una excepción y cubran su medicamento. Consulte a continuación para obtener información sobre cómo solicitar una excepción.

¿Cómo solicito una excepción al Formulario de Planes de Salud ATRIO?

Puede solicitar a ATRIO Health Plans una excepción a nuestras normas de cobertura. Existen varios tipos de excepciones que puede solicitarnos.

- Puede solicitarnos que cubramos un medicamento incluso si no está en nuestro formulario. Si se aprueba, este medicamento tendrá una cobertura de costo compartido predeterminada y no podrá solicitarnos que lo proporcionemos a un nivel de costo compartido más bajo.
- Puede solicitarnos que eliminemos una restricción de cobertura, como la autorización previa, la terapia escalonada o un límite de cantidad para su medicamento. Por ejemplo, para ciertos medicamentos, ATRIO Health Plans limita la cantidad que cubrimos. Si su medicamento tiene un límite de cantidad, puede solicitarnos que eliminemos el límite y cubramos una cantidad mayor.
- Puede solicitarnos que cubramos un medicamento del formulario a un nivel de costo compartido más bajo (si este medicamento no está en el nivel de especialidad). Si se aprueba, esto reduciría el monto que debe pagar por su medicamento.

Por lo general, ATRIO Health Plans solo aprobará su solicitud de excepción si los medicamentos alternativos incluidos en el formulario del plan, el medicamento con menor costo compartido o la aplicación de la restricción no fueran tan efectivos para usted o le causaran efectos adversos.

Usted o su médico prescriptor deben contactarnos para solicitar una excepción de nivel o formulario, incluyendo una excepción a una restricción de cobertura. **Al solicitar una excepción, su médico prescriptor deberá explicar los motivos médicos por los que la necesita.**

Generalmente, debemos tomar una decisión dentro de las 72 horas posteriores a la recepción de la declaración justificativa de su médico prescriptor. Puede solicitar una decisión acelerada (rápida) si considera, y nosotros estamos de acuerdo, que su salud podría verse gravemente perjudicada si espera hasta 72 horas para recibir una decisión. Si estamos de acuerdo, o si su médico prescriptor solicita una decisión acelerada, debemos darle una decisión a más tardar 24 horas después de recibir la declaración justificativa de su médico prescriptor.

¿Qué puedo hacer si mi medicamento no está en el formulario o tiene una restricción?

Como miembro nuevo o actual de nuestro plan, es posible que esté tomando medicamentos que no están en nuestro formulario. O bien, podría estar tomando un medicamento que sí está en nuestro formulario, pero que tiene una restricción de cobertura, como una autorización previa. Debe hablar con su médico sobre cómo solicitar una decisión de cobertura para demostrar que cumple con los criterios de aprobación, cambiar a un medicamento alternativo que cubrimos o solicitar una excepción al formulario para que cubramos el medicamento que toma. Mientras usted y su médico determinan la mejor opción para usted, durante los primeros 90 días de su membresía en nuestro plan, podríamos cubrir su medicamento hasta un suministro máximo de 30 días.

Para cada medicamento que no esté en nuestro formulario o si su acceso a los mismos es limitado, cubriremos un suministro temporal de 30 días. Si su receta es para menos días, le permitiremos resurtidos para un suministro máximo de 30 días. Después de su primer suministro de 30 días, no cubriremos estos medicamentos, incluso si ha sido miembro del plan menos de 90 días.

Si usted es residente de un centro de atención a largo plazo y necesita un medicamento que no está en nuestro formulario o si su capacidad para obtener sus medicamentos es limitada, pero ya han pasado los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia de 31 días de ese medicamento mientras busca una excepción al formulario.

Si lo admiten o lo dan de alta de un centro, cubriremos “recargas anticipadas” de medicamentos previamente cubiertos según sea necesario al momento de su admisión o alta del centro.

Formulario de planes de salud ATRIO

El formulario a continuación comienza en la página 1. Este formulario proporciona información sobre la cobertura de los medicamentos cubiertos por los Planes de Salud ATRIO. Si tiene problemas para encontrar su medicamento en la lista, consulte el índice que comienza en la página I-1.

La primera columna del gráfico muestra el nombre del medicamento. Los medicamentos de marca se escriben en mayúsculas (p. ej., CRESTOR) y los genéricos en cursiva y minúsculas (p. ej., rosuvastatina).

La información en la columna “Requisitos/Límites” le indica si ATRIO Health Plans tiene requisitos especiales para la cobertura de su medicamento.

NIVELES DE COMPARTICIÓN DE COSTOS

Para los Planes de Necesidades Especiales de ATRIO, dependiendo de su nivel de subsidio para bajos ingresos (LIS), pagará los montos que se indican a continuación por medicamentos recetados para un suministro minorista (30 días) y para un suministro por correo (90 días).

LIS 1	Genérico \$5.10 Marca y todos los demás medicamentos \$12.65
--------------	---

LIS 2	Genérico \$1.60 Marca y todos los demás medicamentos \$4.90
--------------	--

LIS 3	\$0
--------------	-----

Si no está seguro de en qué nivel se encuentra, recibirá un “LIS Rider” que le informará una vez que esté inscrito en un plan.

¿Necesita ayuda para administrar los costos de sus medicamentos recetados en 2026?

A partir del 1 de enero de 2025, el Plan de Pago de Medicamentos Recetados de Medicare (M3P/MPPP) es un programa opcional que puede ayudarle a administrar sus gastos de bolsillo en medicamentos al distribuirlos a lo largo del año calendario (**aunque no le ahorrará dinero ni reducirá sus costos de medicamentos**). Los miembros de ATRIO con mayor probabilidad de beneficiarse del programa recibirán más información por correo. **La participación en el M3P es opcional.**

Para las recetas elegibles, paga \$0 en la farmacia por los medicamentos cubiertos de la Parte D y ATRIO le facturará mensualmente. El monto facturado mensualmente se basará en sus costos mensuales de recetas, así como en el máximo anual de desembolso personal de \$2,100, según una fórmula estandarizada creada por los CMS (Centros de Servicios de Medicare y Medicaid). Una vez que pague \$2,100, pasará a la fase de Cobertura Catastrófica y ATRIO cubrirá el 100% de sus costos de medicamentos recetados. Puede encontrar más información sobre la cobertura de recetas y ejemplos de cálculos mensuales en **atriohp.com**.

Las siguientes abreviaturas de restricciones de gestión de utilización se pueden encontrar en la columna titulada “Requisitos/Límites” en la lista de medicamentos que sigue.
